Dear Brethren,

**RE: PROGRESSIVE REPORT ON THE YOUTH DEPARTMENT ACTIVITIES FOR THE MONTHS  
OF JANUARY – MAY 2012.**

**Theme:** Building a Firm foundation for the Gospel in the context of Youth Ministry, 1Cor 3: 8-12.

Greetings in Jesus Name. On behalf of the youth department and on my Own behalf register our appreciation towards the support you always give us to do ministry among the youth.

### Funds received:

We received fund worth 5.600.000/= to carry out the following;

- Strategic work plan of action, design and its formation.
- Training of Sunday School teachers.
- Trainings and Workshops for Clergy and Youth leaders on the role of youth in the church.
- Tree planting for Environmental conservation.

### Progress:

The Strategic Plan of action 2012 – 2013 was designed and formulated and it is in use.

1. Sunday School teachers in 5 archdeaconries have been trained on their roles. Over 205 Sunday school teachers were trained.

However, one archdeaconry is still remaining i.e. Ndejje due to lack of funds.

Trainings went on as follows:

Nakasongola 4<sup>th</sup> – 5<sup>th</sup> /5/2012, Luteete 8<sup>th</sup> -9<sup>th</sup> /5/2012, Kiwoko 10<sup>th</sup> /5/2012, Luweero deanery and Kikyusa-Kiziba 25<sup>th</sup> – 26<sup>th</sup> /5/2012.

2. Clergy/ Youth leaders' workshop. This went on very well with our Bishop Evans Kisekka as a Chief speaker. Participants realized the need for the youth to be active in church for the shared ministry. 78 people were trained.

3. Trees have been planted although we need more to plant.

**Future Plans/ Upcoming events:**

- We need your prayers as we continue building a Firm Foundation for the Gospel.
- We need to work as per our work plan and implement all the scheduled activities.
- We want to hold the Childrens rights Seminar as soon as we can.
- Promote Girls and Boys Brigade trainings and secure a Brass band.
- Carryout Capacity Building on HIV/AIDS among our youth and the community.
- Sports Ministry. Football and Netball competitions in June – October 2012.
